

**American Chinese School of Greater Detroit (ACSGD)**  
**COPPA PARENTAL CONSENT FORM**

**For the Parents/Guardians of school-aged children under the age of 13**

In order for the American Chinese School of Greater Detroit (ACSGD) to be able to provide your children with online learning, they need to abide by federal regulations that require a parental signature as outlined below.

ACSGD utilizes several computer software applications and web-based services, operated not by ACSGD but by third parties. The software may include Zoom, WebEx, Skype, WeChat, and GoToMeeting, or similar applications.

In order for your children to use these applications and services, their personal information such as name, email address, username, photo, or audio/video through computer camera may be collected, used, or disclosed.

Under the federal law entitled the Children's Online Privacy Protection Act (COPPA), these web-based service websites must provide parental notification and obtain parental consent before collecting personal information from children under the age of 13. For more information about COPPA, please visit <https://www.ftc.gov/tips-advice/business-center/privacy-and-security>. The law permits schools such as ACSGD to consent to the collection of personal information on behalf of all their students, thereby eliminating the need for individual parental consent given directly to the web site operators.

This form, when completed below and on file with ACSGD, will constitute consent for ACSGD to provide personal information for your child.
